THE PHB DIFFERENCE

PureHemp BOTANICALS™

ALL PHB PRODUCTS

- Vegan, non-GMO & gluten free
- Organically-grown
- Accurate CBD dosage
- Every batch lab tested for potency & purity

PRODUCTS: We offer Hemp derived CBD products in uniform dosages, so that the same experience can be had consistently accross our products. Each and every product batch is tested with 3rd party and in-house labs to confirm potency, purity and safety. Certificates of Analysis (COA) for every batch is available online at www.PureHempBotanicals.com, click “Lab Results”.

PRICING: Competitive pricing and affordability. We also frequently offer sales and specials.

COMPANY: We have a vertically integrated CBD Grow and processing facility in Colorado. Our facility uses cGMP based compliant quality and manufacturing systems based on 21 CFR 111/211 federal regulations for OTC drugs and nutraceuticals. Thanks to our in-house test laboratory, we conduct plant, formulation, and finished product qualification and release testing for all batches.

CBD LIP BALM

PureHemp BOTANICALS™

Brimming with rich hemp and refreshing peppermint oils, these are infused with Avocado Butter providing a creamy yet long lasting lip experience. Candelilla wax binds the lip balm in a manner without leaving any gummy waxy residue. We feel confident you'll agree that this is one of the best lip balms out there. When you use our CBD lip balm, your lips stay extra luscious and soft all day long! Why not treat your lips to something they've never had before: Pure Hemp Botanicals CBD Lip Balm.

PEPPERMINT

10 mg | per Lip Balm stick

By applying CBD to your body externally, you're providing your skin (and even your muscles!) with the same tender loving care that you provide the rest of your body when you ingest CBD in another way. Topical products can provide a more tangible and visible difference in some cases.

Hemptealicious™

PureHemp BOTANICALS™

Give your body the comfort it deserves with our Hemptealicious™ Tea. Reminiscent of a green tea, hemp tea is caffeine free with earthy undertones and a smooth finish. As always, we use all-organic ingredients.

Compassion In Action™

PureHemp BOTANICALS™

THROUGH A PASSION FOR HEMP

ABOUT US

We believe that every act of compassion helps to create a better world. Hemp is our passion, and you can feel it in everything that we do. We produce sustainable, cruelty free, vegan products, and support charities who are agents of compassion in our local and global communities. We regularly donate a percentage of our sales to organizations that are doing meaningful work and making a positive impact in the world. We love the reactions of happy customers, hearing how our products make a difference for them. We truly believe in the wellness benefits of hemp-based CBD, and are passionate pioneers of this industry.

Our dedicated and skilled team at Pure Hemp Botanicals are family. Appreciation for diversity, human dignity, and ethics are the foundation for our business philosophy. Our commitment to compassion shines through in our eco- friendly packaging, cruelty-free ingredients, and our organic growing process. We want to create products that are a win all around, from your bottom line to our environment. When you choose Pure Hemp Botanicals, you're choosing a healthier, happier, kinder world. We're all in this together.

PURE HEMP BOTANICALS™
